6 Lyrics of 'Viva la vida'

I used to rule the world

Nik mundua gobernatu izan ohi nuen

Seas would rise when I gave the word

Itsasoak altxa egiten ziren nik agintzen nuenean

Now in the morning I sleep alone

Orain, eguna iristean, bakarrik egiten dut lo

Sweep the streets I used to own

Lehen nireak ziren kaleak garbitzen ditut.

6 Lyrics of 'Viva la vida'

I hear Jerusalem bells a-ringing

**Entzuten dut Jerusalemeko kanpaiak jotzen ari
direla.**

Roman cavalry choirs are singing

**Erromako zaldunak kantatzen ari
direla.**

Be my mirror, my sword and shield

**Nire ispilua dira, nire ezpata eta nire
babesa.**

My missionaries in a foreign field

**Nire misioneroak leku ezezagun
batean.**

For some reason I can't explain

**Arrazoi batzuegatik ezin dut
azaldu**

Once you'd gone there was never,

**Behin joan zinenean ez zegoen
inoiz**

Never an honest word

**Inoiz hitz zintzo
bat**

8 Interview

How did you move through some of the tough times?

-I think if you're lucky enough to be in a band with your best friends and you look at the world in the right way, then you'll understand that everything that's happened to you can be alchemized.

Are you able to live a fairly normal life?

-I have a hard time getting in to our gigs.

-Will you do other type of album? For example, a solo album?

No, I will never do a solo album. The only reason I'm able to do what I'm doing is because of the rest of the band.

When was the last time you had a row as a band and do you often row or are you now so mature you just row on email?

The quakers who just sit in a room and we're not leaving this room until it get resolved, but it has to have been a slight row to get to that point.

Is it true that you're collaborating with Beyoncé?

Yeah, she sings backing vocals on a few tracks on this album.

Will you guys return the favor? Will Coldplay be on the next Beyoncé album?

I'd do anything she asked. I'm not sure she feels the same way.

What would you be doing if you weren't in Coldplay?

That sort of thing that keeps me awake at night. It terrifies me. I can't imagine what it would be and I thank my lucky stars that I don't have to make that decision.

How do you handle the process of music making?

We have to be as honest with each other as much as possible. We have to say if there's something we're not happy with and we have to air it out and not let it bubble under.
